GO TEC

TEC Guided Diving

DAYS	TNK & WTS
1	€126.00
2	€244.00
3	€348.00
4	€444.00
5	€525.00

Second dive same day extra €45.00

Dives include road transport, guide, twinset/rebreather tanks/sidemount tanks, weights, 2 stages & all taxes. Price does not include mixed gases & dive supplements.

Diving Supplements

Night Dive (Inc. Torch & Batteries)	€20.00
Day Trip Gozo (Road & Ferry)	€30.00
Single Hard Boat Dive* (min 6 pax)	€75.00
Single Hard Boat Dive Long Distance* (min 6 pax)	€95.00

* Prices are for dives on scheduled boat trips.
If diving separately prices are given on request.

Other Supplements

Pick Up (Sliema Area)*	FREE
Airport Transfer 2-way* 1 pax	€60.00
Airport Transfer 2-way* 2+ pax	€30.00
One-to-One Diving (per day)	€P.O.R.

* per person

Gases & Lime

Helium per litre	€0.09
O2 per litre	€0.02
Sofnolime per kg	€10.00
Sofnolime 20kg tub	€170
Intersorb /kg	€7.00

Tec Gear Rental

Main regulator	€8.00
Stage regulator	€6.00
Wing & Harness	€15.00
Reel & SMB	€7.00
Digital Depth Gauge/Computer	€7.00
DPV	€40.00
Budget Pack (2 main + 2 stage regs, wing & harness)	€40.00
CCR Unit (per day)	€100

Tec gear is only rented to clients taking a course or on accompanied dives.

Tank Rental

Twin 10 ltrs	€14.00
Twin 12 ltrs	€16.00
Aluminium Stage 80 cf (11.2L)	€8.00
Aluminium Stage 40 cf (7L)	€7.00
Rebreather tanks 2/3 ltrs	€6.00
Dry suit tank & Reg 1 Ltr	€7.00

Student

DISCOVER TEC DIVING (1/2 Day)

€185.00 €140.00

Get a taste of TEC diving through a discover tec diving session. This session can be credited towards the Tec 40 course if you decide to continue!

TEC SIDEMOUNT (Min 3 Days)

€575.00 €485.00

Tec Sidemount offers the same benefits as the PADI Sidemount course but gives you the opportunity to dive with 2+ tanks for extended dive times, and is a prerequisite if following Tec courses with sidemount configuration.

TEC 40 (Min 2 Days)

€485.00 €400.00

PADI Tec 40 is designed to allow you to dive within the scope of recreational limits and is designed to be a bridge from PADI recreational courses to TECREC technical courses providing you with an opportunity to experience some of what technical diving has to offer.

Tec 45 (Min 2 Days)

€545.00 €460.00

The Tec 45 course picks up where Tec 40 leaves off and takes your training as a tec diver further and deeper.

TEC 50 (Min 3 Days)

€610.00 €525.00

The Tec 50 course completes your training as an entry-level tec diver, taking you past the limits of recreational diving.

COMBI TEC 40 + TEC 45 (Min 4 Days)

€970.00 €840.00

A combo of the Tec 40 & Tec 45 courses done back to back.

COMBI TEC 40 + TEC 45 + TEC 50 (Min 7 Days)

€1470.00 €1260.00

A combo of the Tec 40 & Tec 45 & Tec 50 courses done back to back

ENRICHED AIR GAS BLENDER (1 Day)

€115.00 €95.00

TRIMIX GAS BLENDER (1 Day)

€205.00 €170.00

TEC TRIMIX 65 (Min 4 Days)

€1650.00 €1500.00

The PADI Tec Trimix 65 Diver course is intended for technical divers certified as PADI Tec50 Divers (or qualifying certification from another training organization). The course extends their depth range capabilities by training them in the use of trimix (helium, oxygen and nitrogen) to a depth of 65 meters.

TEC TRIMIX 65 UPGRADE (Min 3 Days)

€1440.00 €1240.00

Following Tec Trimix 65 one can upgrade to dive to 90 metres/245 feet using various trimix blends, air, enriched air and oxygen, using open circuit technical diving equipment and procedures required to manage the risks involved.

TEC TRIMIX FULL (Min 7 Days)

€2445.00 €2150.00

A combo of the TEC Trimix 65 and the TEC Trimix 65 Upgrade.

TEC SIDEMOUNT INSTRUCTOR (Min 4 Days)

€680.00 €575.00

If you want to teach TEC courses with a sidemount configuration, this is the course for you.

TEC DEEP INSTRUCTOR WITH ASSIST & EXAM (Min 7 Days)

€1525.00 €1390.00

If you're serious about becoming a technical instructor and joining the ranks of PADI TECREC technical instructors, the Tec Deep Diver Instructor course is an obvious choice. Teach others how to explore the mysteries of the deep.

TRIMIX GAS BLENDER INSTRUCTOR (1 Day)

€205.00 €170.00

You may be certified to blend Trimix gas, but do you want to teach others to do it? If so, the PADI Gas Blender Instructor course is just what you're looking for.

TEC TRIMIX INSTRUCTOR (with assist & Exam) (Min 7 Days)

€2625.00 €2365.00

Tec Deep Instructors provide the most comprehensive technical instruction available. If you are both a Tec Deep Instructor and Tec Trimix Diver, then the Tec Trimix Instructor trainer course is for you.

COMBI TEC Deep + TEC TRIMIX + TRIMIX GAS BLENDER INSTRUCTOR (Min 14 Days)

€3780.00 €3330.00

Why not get certified in all the three above instructor courses and save money!!! Also this will make you more employable on the market and you can certify student up to Trimix level. Includes Assist and Exam.

Instructor

TDI Courses (Open Circuit)

1 pax

2+ pax

INTRO TO TEC (1 Day)

An introduction to the world of Tec-diving. This is done in 2 dives and we will introduce you to dive-planning, technical diving equipment and configuration, buoyancy and trim and improve your underwater skills.

Min 2 dives.

€380.00 €295.00

ADVANCED NITROX DIVER (Min 3/4 Days)

Qualifies divers to 40 m for dives requiring deco stops, using nitrox mixtures up to 100% O₂ for increased safety during 40 m deco stops.

Min 4 dives.

€600.00 €550.00

DECOMPRESSION PROCEDURES DIVER (Min 3/4 Days)

Prepares diver for planned stage deco diving. Qualifies you to a depth of 45 m.

Min 4 dives.

€600.00 €550.00

HELITROX DIVER (Min 3/4 Days)

Prepares diver for planned staged deco dives utilizing Helium to reduce the effects of narcosis. Qualifies diver to 45 m with helium mixes no greater than 20% and 100% O₂ for deco stops.

Min 4 dives.

€725.00 €630.00

COMBI (Min 6 Days)

Advanced Nitrox and Decompression Procedures or Helitrox Qualifies divers to dive to 45 m and to perform deco stops using 100% O₂ and if doing helitrox up to 20% Helium to reduce narcotic effects.

Min 6 dives.

€1059.00 €975.00

TRIMIX DIVER (Min 5 Days)

Shows how to minimise the effects of narcosis by adding Helium to offset the nitrogen in your gas. Qualifies diver using a min of 18% O₂ to a max depth of 60m.

Min 4 dives.

€1365.00 €1235.00

ADVANCED TRIMIX DIVER (Min 5 Days)

Top-level of training for divers wishing to dive beyond 60 m using hypoxic levels of O₂ below 17% O₂.

Min 5 dives.

€1995.00 €1700.00

COMBO TRIMIX AND ADVANCED TRIMIX

Trimix & Advanced Trimix Diver levels as described above.

Min 8 dives

€3150.00 €2730.00

ADVANCED WRECK (Min 4 Days)

Practice your line laying skills, find lost diver & lost line as well as safe exiting while gas sharing or blindfolded.

€890.00 €790.00

INSTRUCTOR LEVEL COURSES AVAILABLE UPON REQUEST

PRICE Includes: Hire of twinset, 2 stage tanks, weights, gases (for max depth requirements), Instructor, Land transport to dive sites & Certification card.

Excludes: Manuals, Other equipment & Dive Supplements.

All courses can be done in sidemount configuration.

TDI Courses (Closed Circuit Rebreather)

LEVEL 1: AIR DILUENT/ HELITROX DIVER (Min 5 Days)

€1420.00

This is your first step into CCR diving and your first SILENT Dive. Qualifies diver to a maximum depth of 30 m using air as diluent, or with an option in using mixed gas diving (Helitrox) diluent.

Min 8 dives

LEVEL2 MIXED GAS CCR DIVER (NORMOXIC 60 M) (Min 6 Days)

€1630.00

The next step in getting deeper using mixed gases. Qualifies diver to 60 m using Helium as diluent gas and O2 levels to a min of 16% and 100% O2 for deco stops.

Min 6 dives

LEVEL 3 ADVANCED MIXED GAS CCR (HYPOXIC) (Min 7 Days)

€1850.00

This is the highest level in CCR training. Qualifies divers to a max depth of 100 m using hypoxic Helium as diluent less than 18% and 100% O2 for deco stops.

Min 7 dives

INSTRUCTOR LEVEL COURSES AVAILABLE UPON REQUEST

Price includes: Hire of tanks, 2 bailout stage tanks, sorb, weights, gases, instructor, land transport to divesites and certification card.

Excludes: Manuals, other equipment, CCR and dive supplements.

Unit rental price: €100 per day.

Units available: JJ, rEvo, Divesoft Liberty Sidemount CCR, XCCR.
